

Rob Katz to Moderate Design Patents Panel at INTA Leadership Meeting

November 22, 2019

Banner Witcoff attorney Robert S. Katz will moderate a panel at the International Trademark Association's (INTA) Leadership Meeting on Nov. 22 in Austin, Tex.

The panel, "Avoiding Design Patent Procurement and Enforcement Errors," will highlight common errors made in design enforcement efforts. Rob—who serves as chair of INTA's Design Committee—and the panelists will also provide tips on how to avoid errors.

INTA's Leadership Meeting, which takes place Nov. 19-22, brings together the association's leaders and volunteers once a year. The meeting offers attendees advanced-level educational programming and opportunities to network with colleagues from around the world.

More information about the meeting is available on [INTA's website](#).
