Robert S. Katz presents encore Strafford webinar, “Leveraging Design Patents to Protect Graphical User Interfaces”

May 29, 2018

Robert S. Katz presents encore Strafford webinar, “Leveraging Design Patents to Protect Graphical User Interfaces.”

Mr. Katz and his co-presenters will provide guidance to patent counsel on protecting graphical user interfaces in the U.S. and around the world. They will examine the advantages and disadvantages of design patent protection and offer best practices for leveraging design patents to protect GUIs.

Their original presentation was on Nov. 30, 2017. This is an encore presentation with live Q&A.
