YETI Coolers, LLC.

RTIC Coolers LLC v. YETI Coolers, LLC., Nos. IPR2016-01176, IPR2016-01207, IPR2016-01430, IPR2016-01432 and IPR2017-00468, USPTO Patent Trial and Appeal Board

Represented YETI in five inter partes reviews filed by RTIC Coolers against three of YETI's patents for technology related to the latching mechanisms contained on its heavy duty premium hard-sided coolers, and the materials and properties of its soft-sided coolers. All five of these IPRs were terminated in conjunction with settlement of the district court lawsuit against RTIC.
