State of the Union on Small Molecule Patents: Mercedes Meyer Presents at The Hatch-Waxman Practitioners Think Tank on Paragraph IV Disputes

Banner Witcoff's Mercedes Meyer will speak at The Hatch-Waxman Practitioners Think Tank on Paragraph IV Disputes on Tuesday, October 15, in Chicago.

Mercedes will speak during the State of the Union on Small Molecule Patents. The session will analyze the current state of play for small molecule patents, Paragraph IV litigation, and pending political threats to the industry. Panelists will examine shifts in the small molecule market, discuss the levers and tools used by the Biden Administration to lower drug prices, delve into the strategic presuit considerations, and anticipate the future use of these methods after the November 2024 election.
