Timothy Meece quoted on Research in Motion ruling in the National Post.

October 22, 2005

Timothy Meece has been quoted in an October 22 article for Canada's *National Post* newspaper. The article, entitled "RIM loses latest NTP ruling, risks U.S. shutdown," discusses the recent ruling against Research In Motion, Ltd., maker of the Blackberry PDA, that could stop sales of the popular wireless e-mail device in the United States.
