Victoria Webb to Present on Oral and Written Discovery in Civil Cases in Upcoming Strafford Webinar

Banner Witcoff attorney Victoria Webb is set to speak during the upcoming Strafford Webinar, “Oral and Written Discovery in Civil Cases: Strategies for Avoiding and Responding to Recurring Deficiencies,” on Wednesday, May 31 from 1 pm-2:30 pm EDT.

Victoria and her co-presenters will identify and explore solutions to the seemingly universal flouting of the Federal Rules of Civil Procedure and their state counterparts concerning written and oral discovery. The webinar will also discuss:

- Can companies be forced to testify about litigation contentions?
- What is the effective use of Rule 30(b)(5), and when is it abused?
- Can counsel require a verified statement that the responding party has searched for responsive documents?
- Does sending a draft motion to compel fulfill the requirement to “meet and confer”?
