WITCON

DELIVERED

Delivering cutting-edge IP strategies straight to your door.

Banner Witcoff is bringing intellectual property programs to corporate audiences everywhere with WITCON Delivered.

During these complimentary CLE events, Banner Witcoff attorneys will explore IP strategies that you can leverage to protect your company's intellectual property.

“Attending WITCON helped me better understand some of the legal tools available to protect intellectual property, and keep me informed on current trends in the IP enforcement landscape. It provided a unique learning opportunity in a relaxed setting, teaching valuable lessons without the billable hours!”

Steve Rosenbloom, C.E. Niehoff & Co., WITCON Delivered June 2023 in-person attendee
