MAY

## **BUC-EE'S SCORES FOR ALL SIGNIFICANT BRANDS**

Secured a jury verdict for Buc-ee's against a chain of travel centers in Texas. The unanimous jury found that Buc-ee's logo is famous and that the defendants violated the law by using logos that were confusingly similar and likely to cause dilution of Buc-ee's famous logo.

.....

SEP

## **RTC DEFEATS FOUR IPRs**

Defended RTC Industries in four *inter partes* review challenges filed by Fasteners for Retail, targeting four patents covering merchandise display systems used in grocery stores and other retailers.

.....

NOV

## **COMCAST 12, ROVI 0**

Received favorable *inter partes* review decisions for Comcast against Rovi on patents related to television program guides, digital video recorders and mobile services. Every asserted claim in the first 12 challenged patents to reach final decision has been found unpatentable in final written decisions.
