Banner Witcoff's Launch Brief Event Highlighted by the Daily Journal

Banner Witcoff's Launch Brief event, which took place Thursday, August 28 in El Segundo, California, was featured in an article by the Daily Journal titled, Legal Frameworks Take Center Stage at National Security Panel.

The article features insight from panelists Matt May, Kevin Lombardo, Michael Segal, and Joeseph Wendlberger. During the event, "attorneys stressed early legal alignment for aerospace and defense startups amid rising regulatory complexity, warning that choices on export control, IP, governance, and procurement can shape both compliance and long-term valuation."
