

## **Bottle Battles: Lawsuits in the World of Alcohol Bottling**

In an article published in Santé Magazine, Kirk Sigmon explores the alcohol industry's legal battles over bottle designs, labels, bags, wax seals, and the word "handmade."

The piece explores the battle over a skull-shaped bottle, Crown Royal's famous drawstring bag, Tito's use of "handmade," and more.

You can read more about the alcohol industry's most fascinating lawsuits by [clicking here](#).
