Bradley J. Van Pelt offers advice on when patent applicants should obtain a continuation in Law360

Bradley J. Van Pelt examines when patent applicants may want to consider obtaining a continuation patent in the *Law360* article, “4 Times To File A Continuation Patent Application.”

In the article, Mr. Van Pelt explains that if prosecutors work with inventors to predict where technology is headed and capture that in their initial application, they will have more flexibility to craft valuable claims in continuations.
