Corporate IP Roundtable Webinar Reviews Key 2023 Patent Law Developments

Banner Witcoff attorneys Scott Kelly and Matt Becker will discuss the key patent law developments from 2023 at the Corporate IP Roundtable webinar on January 23.

Scott and Matt will present our annual Patent Law Year in Review webinar, addressing all major Federal Circuit, Supreme Court, and PTAB precedential cases from the year. The discussion will cover the full range of issues, from prosecution to litigation, with a focus on practical impacts and key takeaways for the in-house lawyer.

The webinar will begin at 12 p.m. CST. 1.50 MCLE credit in IL and VA will be available for attending. Other jurisdictions may be applied for. Attendees must register in advance. Click here to register.

Our Corporate Roundtable programs are intended exclusively for a corporate audience and clients of the firm. We reserve the right to refuse any registration at our sole discretion.
