IAM Global Leaders Recognizes Robert Katz and Mercedes Meyer

Banner Witcoff's Rob Katz and Mercedes Meyer have been recognized as 2023 IAM Global Leaders.

According to IAM's website, to qualify for IAM Global Leaders, individuals must be ranked in the gold tier of the IAM Patent 1000. Both Rob and were "Highly Recommended" by IAM Patent 1000 for their prosecution work. Rob was also recognized for his litigation work.

The IAM Global Leaders is compiled of individuals not only for their expertise and experience relating to patent rights, but also for their ability to innovate, inspire, and go the extra mile for their clients.
