Matt Becker and Scott Kelly Deliver 2024 Patent Law Year in Review for the D.C. Bar CLE Program

Banner Witcoff's Matt Becker and Scott Kelly will explore the most impactful patent case law developments of 2024 during their "Patent Law a Year in Review 2024" presentation with the D.C. Bar on December 17, from 6:00 to 8:15 pm ET. The presentation will be offered virtually over Zoom.

Matt and Scott will review key rulings from the Supreme Court, the Federal Circuit, and the Patent Trial and Appeal Board. They will also address:

- Significant changes in USPTO rules and proposed legislation
- Patentable subject matter
- New developments in prior art
- Defenses in patent litigation
- Procedural changes in patent litigation
- Shifts in inter partes review (IPR) practice
- And more

2.0 general credit hours are available.

Scott will also present the annual "Patent Law Year in Review" during a Corporate IP Roundtable webinar in January. The time and date will be announced soon. Learn more about our Corporate IP Roundtable and subscribe to receive updates and announcements by clicking here.
