Patent Law Year in Review 2025: Matt Becker and Scott M. Kelly Present for DC Bar

December 18, 2025

Banner Witcoff's Matt Becker and Scott M. Kelly will provide an in-depth review of the most significant case developments shaping the field in 2025 during their "Patent Law Year in Review 2025" presentation with the DC Bar on December 18, from 6:00 to 8:15 pm ET. The presentation will be offered virtually over Zoom and offer 2.0 general credit hours.

The duo will explore key rulings from the Supreme Court, the Federal Circuit, and the Patent Trial and Appeal Board, alongside important updates on Patent and Trademark Office rules and proposed legislation.

Topics include:

- Patentable subject matter
- Evolving standards for prior art
- New defenses in patent litigation
- Procedural changes in trial practice
- Shifts in inter partes review

Matt and Scott will also highlight emerging trends and practical strategies to help practitioners anticipate challenges and effectively advise clients. Find more information about this CLE webinar by clicking here.

The annual "Patent Law Year in Review" will be presented during a Corporate IP Roundtable webinar in January. Learn more about our Corporate IP Roundtables and subscribe to receive updates and announcements by clicking here.
