

**Yousef Salem AlMesad**

Attorney  
Washington, DC  
yalmesad@bannerwitcoff.com  
Main: 202.824.3000  
Fax: 202.824.3001

Prior to joining Banner Witcoff, Yousef worked as an engineer for a water technologies company focusing on smart materials, smart polymers, power electronics, sensors, and renewable energy, in addition to being an inventor on a patent family. Yousef spent time working for a sovereign wealth fund in the Middle East, concentrating on venture capital and technology transfer. Specifically, Yousef's emphasis was on valuations for startups and aiding inventors through the commercialization process. During his time in law school, Yousef worked with in-house legal departments for two technology companies, in addition to externing for a Federal Magistrate Judge.
